WORLD RACE WAR

For the last several ROCKWELL REPORTS I have wanted to dictate an analysis of the Russian-Chinese Communist developments but have always had to postpone it because of the urgent need to keep people informed of the red-black "attack on Washington" by Martin Luther King, scheduled for August 28.

Before I could get this analysis published, the Soviet Communist leaders have openly confirmed the theory I have been preaching to our people here and which I planned to set forth in a ROCKWELL REPORT.

It has become increasingly apparent that the Jew-Communist leaders in New York and Moscow have gotten something started which is getting away from them.

They have been USING anti-White-racism to supply them with a black, brown, yellow and red "army" to destroy the authority and hegemony of the White Race, which built Western civilization. In my book, THIS TIME THE WORLD, readers will recall that I stated that Communism is a "mutiny of the inferiors of the earth against the White Race, led by the Jews".

Now the inferior dark mutineers have become conscious of their own power in their endless numbers and masses--AND ARE ENGAGED IN A GROWING MUTINY AGAINST THE JEWS WHO HAVE BEEN USING THEM!

From a theoretical Marxist-Leninist ECONOMIC uprising, Communism has gotten away from its Jewish masters all over the earth and is degenerating into a global RACIAL uprising by the dark races against the White master race.

In British Guiana, mongrel Communist leader, Cheddi Jagan, married to Communist Jewess, Janet Rosenberg of Chicago, is experiencing RACE RIOTS and is forced to call in British White Tommies all the way from England.

In the United States, Martin Luther Coon and other similar Jew-Communist spawned nigger "leaders" are becoming drunk with their own power as they organize larger and more terrifying herds of rampaging blacks to terrorize our cities, and are breaking away from the brilliant and ruthless calculations of their Jew-Communist former masters. Jew Spingarn, president of the NAACP, is now moaning and groaning about Martin Luther Coon's mass marches--particularly the outrage planned for the District of Columbia on August 28. But the Jews can no longer stop this damned foolishness by the nigger leaders who do not realize that their power heretofore has come solely from brilliant Jew leadership and who now imagine they are black Moseses ordained by a nigger "God" to seize the blessings of White civilization on behalf of their cannibal brothers.

This morning (as I dictate this, July 17, 1963) these nigger leaders have announced that they are "getting together" (while the Whites remain almost totally divided) to fight for nigger "rights" in one monolithic black organization for terrorism of the Whites.

In Cuba, Castro is leading a Marxist revolution and seizure of power which was conceived, aided and abetted by our own State Department, the New York Times, and the New York Jew Communist-planners. But Mr. Castro, swept up in a roaring tidal wave of mongrel Cuban "nationalism" --thoroughly mixed up with hatred of WHITE "Yankee imperialism"--is not half so much a Marxist as a leader of Latin American MONGRELISM against the pure White men who civilized and built Latin America.

In Africa, the so-called "emerging nations" of niggers--"nations" like Ghana are in the Soviet orbit, but are increasingly BLACK NATIONALISTS out to fight and destroy WHITE LEADERSHIP as much as, if not more than, to produce a Communist world tyranny for the benefit of Jews whom they begin to see as "White men", rather than as "fellow Marxists".

In China, precisely the same thing is happening.

Placed in positions of indescribable power over millions and millions of human beings by the world conspiracy of Jew Communists, yellow leaders, like Mao Tse Tung, are either ignorant of, or have forgotten, the source of their own power--the Jew-Communist, Zionist world machine. The Jews have taught them to hate and to fight "White imperialists"--and the yellow men, blinded by their own vast power over endless millions of Chinamen, are turning on the Jew-Communist commissars and other White Communists the same hatred against White men first planned by the scheming Jews.

WHAT IS HAPPENING, NOT ONLY IN THE UNITED STATES AND CHINA, BUT ALL OVER THE WORLD, IS THAT THE DARK RACES OF THE EARTH ARE UNITING IN A BLOODY MUTINY AGAINST THE WHITE RACE WHICH IS OUTNUMBERED BY MORE THAN 7 TO 1.

We have been predicting precisely this development since the first day of our operation, five years ago. Now, more than ever, I am convinced that world history is in the throes of a GLOBAL RACE WAR.

Thus, White Americans on our side who continue to think in terms of "states' rights", economics, "free enterprise", taxation, the Constitution or other side issues, will soon enough find themselves standing on pretty pink clouds in the sky and they will fall with a crash onto the bloody field of RACE WAR--down where we are already.

It will take perhaps as much as 30 years before this developing race war becomes open and general all over the earth with every member of the White race and all the dark races thoroughly aware that they ARE at war with each other. Or it may take only a year or two more for the most hideous conflict in world history to become open and general.

That it will not come, is the wishful and empty hope of chicken-brained fat-heads and "liberals".

For more than 100 years, since 1848, when the Jew, Karl Marx, declared the "war" in his "Communist Manifesto", the Jews have been brilliantly and ceaselessly agitating the swine of the world to overthrow the farmer. Their idea has been to get the massed swine to do the overthrowing for them and get rid of the "farmer" so THEY COULD TAKE OVER.

As is usual with the plans of the cunning, paranoiac Jews, their carefully laid plans have BACKFIRED.

Their dark army of mutineers is now turning on its Jewish masters--along with the rest of the White Race.

The Whites themselves, in spite of the most monstrous Jewish propaganda campaign in newspapers, magazines, books, movies and TV in the whole history of humanity, are becoming increasingly aware of the Jewish role in Communism and race-mixing and are turning on the Jews too. All the pleas for "brotherhood", "tolerance", "humanitarianism", etc., cannot hide the ugly yids who always show up in NAACP and CORE picket lines, at nigger conventions, marches and other assaults on the White Race.

The niggers themselves, as we have pointed out in many a ROCKWELL REPORT, are more and more aware of the fact that the "White people" who are oppressing and exploiting them the most, are JEWISH landlords, usurers, easy-payment salesmen, Zionist whisky dealers, dope peddlers, white slavers, etc.

The Jews are thus finding themselves in a horrible "no-man's-land" as the lines are formed up for the nightmare race war, which THEY INSTIGATED.

They whine and groan that both the blacks and Whites are resorting to "scape-goatism" to explain how come they are increasingly hated by both sides in a conflict they precipitated. But this will not save them from the wrath of the millions of human beings, both dark and White, they have set at each other's throats.

As the lines of the up-coming race war become more clearly drawn and rigid between the White man and the dark mutineers, the wandering Jew, who fomented it all, will find himself ruthlessly hunted down by BOTH sides.

There is no stopping the global, racial conflict ahead. The dark inferiors of the earth are drunk with a sense of their "growing power" and have irretrievably committed themselves to all-out attack upon our White Race everywhere on earth.

It will come.

Let it come.

In the long run, there is no appeal from the verdict of nature and history. Either the White Man will become conscious that he is (or at least has been) the master race--and with that realization will go an all-out dedication to the rest of the philosophy of the National Socialism of Adolf Hitler--or the White Man will perish. And with him will perish White Western civilization.

In terms of the billions of years of natural history, it is only a few historical moments until the White Man will receive the acid test in the crucible of world history. We will soon know whether the wonders of Western civilization will continue--or whether this relatively tiny ball of mud in space will once again whirl empty of human life through the endless reaches of outer space.

DO-GOODISM IS TREASON

The wife of an Icelandic official who used to entertain me in his home, while I was Commanding Officer of a Navy squadron there, was one of those "super-nice" people who go about oozing "love" and "do-goodism" all their waking hours.

I got into an argument with her once and just that once I saw her rage, with hate flashing from her eyes.

She had stated that the physical torture of a human being was never, never justified, no matter WHAT the circumstances.

I asked her what she would do were she to be the chief of police in Reykjavik (where this discussion was being held), and she captured a beautiful, young girl who admitted being a Communist spy and who arrogantly boasted that she had planted a nuclear time-bomb set to go off some place in the middle of the city in two hour's time.

My charming hostess, with some heat, replied that she would much rather be blown to smithereens herself rather than torture the information of the location of the bomb out of the Communist agent.

I agreed that it was her privilege, if she insisted on being so foolish, to permit herself to be blown into molecular dust rather than force knowledge of the bomb's location out of the girl and get the bomb stopped.

But then I asked her if she also thought she had the further right, when charged with the safety of the safety of the whole city as chief of police, to allow the bomb to kill, maim, mutilate, burn, disfigure and drive insane tens of thousands of innocent men, women and children, living in the city to indulge her "goodness" in refusing to use brutal methods against one Communist agent.

She tried to duck this issue but I kept "poking her nose into it" and forced her to choose between her "do-goodism" and the lives and safety of tens of thousands of innocent people.

Faced with such a brutal reality, her "do-goodism" put her in a completely impossible situation and forced her to advocate the murder of tens of thousands of people to avoid the agony of torture for one evil person who caused the whole ugly dilemma.

When I reemphasized that she was thus advocating mass murder and mutilation of tens of thousands, in preference to the torture of one, her "do-goodism" vanished in a flash and she snarled and spit at me like an enraged cat.

She reminded me of the religious fanatics who once picketed one of my speeches with signs reading, "Love Conquers All", and who raged at me, shaking their fists, "Rockwell, you are evil; you must be killed!"

The fat-head liberals who, unlike the scheming Jews and Communists, sincerely believe the coons are our "equals"; who have been "kept down" by "bigotry" and "prejudice"; are precisely in the same dilemma as the "do-good" lady in Iceland and the religious fanatics threatening to murder me with picket signs reading, "Love Conquers All".

When a life-boat is full so that only one more might possibly get aboard without sinking the whole boat and two men must get aboard or drown, the officer-in-charge of the boat MUST take only one aboard--AND WATCH THE OTHER DROWN.

It is all very well to talk of brotherhood, sharing, noble character, etc., and there can be no question but these concepts have a very definite place in human society. Without them, we would be dumb beasts.

But on the other hand, when there are two groups struggling for survival and the mathematics and logistics of the situation make it impossible for BOTH groups to survive, then it is the duty of the leader of each group to do everything within his power to secure the survival of HIS group. Leaders, who at this point, become mushy-headed with love and brotherhood for the other group at the expense of their own are TRAITORS. So it has been for a million years of live on this earth, and so it shall always be. There can be no compromise in the ULTIMATE struggle to survive. As long as bare survival is possible for one's own group, it is a mark of nobility and decency to be "the good Samaritan". But when one's own group is facing destruction, to play the generous "do-gooder" at the expense of the survival of one's own people is suicidal and treason.

So far, the bounty of America has been so stupendous and apparently infinite that we have been able to survive 40 or 50 years of this kind of "do-goodism" on behalf of cannibals, Communists, Jews and the very scum of the earth--most of whom are "under privileged" for the same reason that a mongrel horse can't win races. They are unfit to survive and, with infinite wisdom Nature would exterminate them by the millions with starvation, disease, cannibalism and the thousand-and-one other hazards on this earth for the unfit. The "do-gooders" and liberals cannot see because they WILL NOT see that the largesse from America's bounty cannot go on forever without utterly destroying the "master race" of White men who produced the bounty in the first place.

But that is precisely what is happening. The population of the entire earth is almost literally EXPLODING. And the fantastic increase is not in the numbers of the White producers and civilization builders but in the infinite swarming of the dark biological scum of the earth organized and led by parasitic Jews under Communism.

Only a few more years and the White Race will be FORCED to realize that either we reassert absolute mastery over the earth's teaming biological inferiors or they will overwhelm us like a filthy black plague of locusts.

As this dreadful moment in history gets closer and closer, the radical and brutal racist stand of the World Union of National Socialists and the American Nazi Party will become more and more attractive to more and more White men. At the same time, decent White men will become more and more disgusted with peace creeps and simpy do-gooders.

The time is not far off when a White man who recommends ANY "rights" for niggers and other non-Whites will be set upon by other White men who will finally understand that such "do-goodism" is RACIAL TREASON!
